## ADDITIONAL INFORMATION

Per Indiana Code 9-3-13, the purpose of the EV Commission is to:

1. Evaluating the inventory of existing electric vehicle product facilities and production capability.
2. Evaluate the inventory of skilled and nonskilled workers in the electric vehicle product industry.
3. Evaluate opportunities and needs for training within the electric vehicle product industry.
4. Determine if training centers promoting careers in the electric vehicle product industry should be created or transitioned from traditional automotive industry training centers.
5. identify existing manufacturing competencies within the traditional automotive industry and determine how the existing competencies could be leveraged to increase the production of electric vehicles.
6. Identify and evaluate opportunities for growth within the electric vehicle product industry.
7. Identify and document results from previous instances of retooling and transforming manufacturing facilities in the automotive industry.
8. Identify opportunities for research and development within the electric vehicle product industry
